***No service at your parish church?** Of course, anyone can worship wherever they choose and some churches can accommodate more people than others. However, to keep everyone safe, we are trying to limit numbers in each church by putting churches into groups. This may mean that your group of churches is not holding a service on a particular Sunday, indicated on the list by the words “*No service**”, but there are still a number of ways to access worship.

1. Simon Tong is leading a short **act of worship on Zoom** on Sundays. The time of broadcast may vary. If you wish to join the service, please email Simon so that he can email you the link and service time each week. simon@sandrtong.co.uk
 2. You can join the national online services, streamed at 9am each Sunday.

 3. You can listen to a Sunday service on Radio 4 at 8.10am
 4. The Church of England Phone Church may suit you. *Daily Hope* offers music, prayers and reflections as well as full worship services at the end of a telephone line – and the call is free! The line is available 24 hours a day on **0800 804 8044**.
